

FROM AIRPORT

From airport pass the Borchers Quarry Rd (M22) turnoff and carry on towards Cape Town. Take the left split to Somerset West (N2). Turn off the N2 on to the R300 and head for Bellville/Paarl. Turn left off the R300 on to the N1 and head for Bellville/Cape Town. Turn left off the N1 on to the R302 to Bellville/Durbanville (first turnoff from the N1 after joining from the R300). The R302 is a dual road: first robot left into Durban Road takes you to the centre of Bellville. Don't turn left. Carry on until the second robot and turn right into Willie van Schoor Avenue towards Durbanville and Tyger Valley Centre. In Willie van Schoor Avenue, turn right in Mispel Road (first robot after bridge), then immediately left into Edward Street. Carry on until end of street. Bloemhof building is the last building on right. Productivity SA is on the second floor.

Have a safe journey - we look forward to seeing you at Productivity SA.
